

Group registration fees policy

These are the conditions that must be respected in order to apply the reduced registration fee for members of a group:

1. All non-AFM members of a self-contained band or musical unit (consisting of two or more musicians) make application together to join the local, in accordance with AFM bylaws, Article 9, Section 2(b).
2. The musicians must be able to prove that their group is properly constituted before the registration (web site, phonogram or previous engagement contract). The evidence provided must clearly state the names of the members of the group.

Musicians who respect these conditions and register in groups benefit from a preferential rate for registration fees, become regular members of the GMMQ and are subject to the rights and obligations associated with this type of member.

The annual dues are payable on January 1 of each year in one single payment by check, credit card, cash, debit card, AccèsD, at the Caisse Desjardins counter or by internet via the member access of the GMMQ website. Members may also use monthly pre-authorized debits to spread the payment of the annual dues.
